TREE

Sr.No.	Flora Sr.No.	Name of Flora	Local Name	Location	Status
		Annona			
1	2	Squamosa	Sitaphal	Common on foot hills	
		Miliusa			
2	3	Tomentosa	Homba	Frequent throughout	
		Chchlopermum	Ganer Gongal, Ganai,		
3	16	Religiosum	K- Phangra	Throughout	
		Casearia Elliptica			
4	17	Casearia Elliptica	Kali Karai, K- Kesa	Higher elevation of Chikhaldara range	
		Casearia			
5	18	Graveolens	Pandhari Karai, K-Rivit	Especially from Chikhaldara ,Dhakna and Semadoh ranges.	
6	19	Flacourtia Indica	Gurgati, G-Katian	Common throughout	
		Kydia Calycina	Arang,Bothi,G-		
7	35	Kydia Calycina	Baringa,Bosha	Throughout	
		Thespesia			
8	42	Populnea	Paras Pipal		

9	45	Bombax Ceiba	Semal, Kat Sawar, K-Auri		
10	46	Eriolaena Hookeriana	Bhondra-Dhaman G-Bhondar	In Churakund, Harisal	Not common
11	49	Sterculia Urens	Karai, Kadhai, K-Teklej	Frequent throughout	
12	58	Grewia Tiliifolia	Dhaman, Baringa, K-Dhamsi, G- Khesla	Common throughout	
13	70	Aegle Marmelos	Bel, K-Bela. Sarawan, G-Mahaka	Dhargad, Kelpani, however frequent in Rangjubeli	
14	72	Ailanthus Excelsa	Maharukh	Mostly planted on village sites	Rare
15	73	Boswellia Serrata	Salai	Abundant in jforest associations lat lower elevation on the peripheral hills of the MTR	
16	74	Garuga Pinnata	Kekad, K-Kekeda		
17	75	Chloroxylon Swietenia	Bhirra		
18	76	Soymida Febrifuga	Rohan Raktarohan, G-Somi	Dhargad ,Kelpani, Koktu, Rangubeli, Chaurakund	
19	77	Cassine Glauca	Jamrasi, Aran, K-Niru	Dhargad, Kelpani, Bori, Dabhya	
20	81	Zizyphus Mauritiana	Bor, Ber, K-Boray, G-Renga	Village sites	
21	82	Zizyphus Xylopyra	Ghoti, Ghatbor		
22	83	Zizyphus Rugosa	Sakhari, K-Churni	Chikhaldara, Vairat, Makhala	
23	92	Schleichera Oleosa	Kusum, K-Baru	Kolkaz, Semadoh Rangubeli and Jarida	

24	93	Buchanania Lanzan Lannea	Char, Charoli, Chironji,K-Torab	
25	94	Coromandelica	Moin, G- Mangi	
26	95	Mangifera Indica	Amba, K-Am	Near village
27	96	Semecarpus Anacardium	Bhilawa, Biba, K- Choso	Dhargad, Bori
28	97	Spondias Pinnata	Amra, Katamba, K- kekda Ka Tamba	Koktu valley, Andheri Khora, Betha pati
29	109	Butea Monosperma	Dhak,Palas K-Pharsa, G-Palasa,Mur	
30	123	Dalbergia Latifolia	Shisham	In Chunkhedi, Jarida
31	124	Dalbergia Paniculata	Dhobin,K-Phassi,G- Padri	
32	131	Erythrina Suberosa	Pangra,K-Gada Phassa	
33	146	Ougenia Oojeinensis	Tiwas K-Ruthu,G-sed	Marida , Jarida Dhargad
34	147	Pongamia Pannata	Karanji,Karanj	
35	150	Pterocarpus Marsupium	Bija	
36	165	Bauhinia Malabarica	Ambotha K-Chapha	
37	166	Bauhinia Purpurea	Kachnar,K-Koilari	
38	167	Bauhinia Racemosa	Bhosa,Apta,K-Bhosai G- Dhondri	
39	169	Bauhinia Variegata	Kachnar,K-Champa	
40	172	Cassia Fistula	Bahawa,Amaltas,K- Bana-Ka-Bhungdu	
41	178	Tamarindus Indica	Chinch, ImlI, K-Chincha, G-Sitta	Only at village sites

42	179	Accacia Catechu	Khair	Harisal, Raipur, Dhargad	
43	182	Albizzia Lebbeck	Siris, Bhingri, Sankesar		
		Albizzia			
44	183	Odoratissima	Chichwa, Chinchona		
45	184	Albizzia Procera	Kinhi	At higher elevations like Chikhaldara and Vairat Plateaux	
		Anogeissus	Dhawda, Dhawra, G-		
46	188	Latifolia	Alma	Chipi, Dolar, Jamli etc.	
47	190	Terminalia Alata	Saj, Sajad, K-Athna, Sadra	Jamli, Koktu Valley, Bori, Semadoh, Kolkaz etc.	
48	191	Terminalia Arjuna	Arjun, Kahu, Anjan, G-Mangi	Along the banks of larger streams and rivers	
		Terminalia			
49	192	Bellirica	Behada, G- Kohakka	Makhala, Raipur, Jarida, Koktu	
		Terminalia			
50	193	Chebula	Hirda, Harda	Restricted to Jarida range. Very Sparse	
		(i) Syzygium			
		Cumini			
		(ii) Eugenia			
51	194	Jambolana	Jambhul, Jamun	Near village	
		Syzygium			
52	195	Heyneanum	Jamun, K-Gambu	In Chikhaldara and Semadoh range	Not common
53	196	Careya Arborea	Kumbhi Kumbh	Mainly seen on Chikhaldara & Vairat	Not common
54	199	Lagerstroemia Parviflora	Lendia, K-Chekre	In Belkund, Dolar, Koktu, Jarida, Chunkali, Butida, Marida	

55	222	Adina Cordifolia	Haldu,G-Mundi	In Most areas of Tiger Reserve	
56	227	Gardenia Latifolia	Jalkumbhi,Ghogar	Along stream and river margins and moist valleys in Akot and Chikhaldara ranges	Not common
57	228	Gardenia Turgida	Phetra,Phendra,K-Phurpata		
58	232	Mitragyna Parviflora	Kalam,Kadamb,K-Kutebi		
59	235	Xeromphis Spinosa	Maiphal,K-Gheta,Bheta		
60	236	Xeromphis Uliginosa	Tupkela,Kala Pendhara K-Purput,Ghangru	Better represented in Chourakund,Rangubeli, Khandakheda localities	
61	288	Madhuca Indica	Moh, Mahuwa, K-Mu	Scattered throughout, More conspicuous around villages	
62	289	Diospyros Melanoxylon	Temburni, K- Tumri	Scattered throughout,no where plentiful	
63	290	Schrebera Swieteinoides	Mokha, K- Jhan	More frequent in Dhargad, Kelpani, Belkund	
64	292	Holarrhena Antidysenterica	Kuda, K-Kurakatto	Scattered throughout	
65	293	Wrightta Tinctoria	Dudhi, K-Kura	Makhala, Khandakheda, Jarida	
66	294	Wrightta Tomentosa	Dudhi	On Vairat plateaux	
67	309	Cordia Dichotoma	Chilu, Silu	Dedra Khora Koktu Vally	

68	310	<i>Cordia Macleodii</i>	Dahipalás, K- Kassamar	In Dabhya, Dolar Chipi, Koktu, Belkund	
		<i>Dolichandrone</i>			
69	370	<i>Falcata</i>	Medsingi K- Karanjelo	In Kolkaz- Harisal and Raipur	
70	371	<i>Oroxylum Indicum</i>	K-Phalga, Tetu	In Koktu valley, Makhala, Harisal	Not common
		<i>Radermachera</i>			Not common
71	372	<i>Xylocarpa</i>	Khadsing, K-Tetu	On Chikhaldara and Vairat	Not common
		<i>Stereospermum</i>			
72	373	<i>Personatum</i>	Padar	In Koktu, Chipi, Bori, Dhargad, Boripati, Butida, Khandakheda, Semadoh	
		<i>Gmelina Arborea</i>			
73	403	<i>Gmelina Arborea</i>	Shivan; K-Kassamar	In Matakaul, Belkund, Bhati Ponga Nala, Chunkhadi, Jarida	
		<i>Tectona Grandis</i>			
74	408	<i>Tectona Grandis</i>	Sag, Sagwan, K-Sipna	Very common ,abundant and the most dominant tree of the entire Tiger Reserve	
		<i>Litsea Glutinosa</i>			
75	449	<i>Litsea Glutinosa</i>	Ranamba, K-Maidalakri, Lenja	In Chikhaldara range and Koktu	
		<i>Bridelia Retusa</i>			
76	456	<i>Bridelia Retusa</i>	K- Khadka	In Kolkaz ,Raipur, Chunkhadi, Raipur	
		<i>Emblica Officinalis</i>			
77	459	<i>Emblica Officinalis</i>	Aola	In Marida, Makhala, Churni, Pastalai, Chipi	
		<i>Glochidion</i>			
78	466	<i>Velutinum</i>	K- Kolia		
		<i>Mallotus</i>			
	469	<i>Mallotus Phillipensis</i>	Kamela, Kunku, K-Sendri	At Higher elevation in parts of Chikhaldara and Tarubandha ranges	
79					

80	475	Holoptelea Integrifolia	Chiler, Papra	Dodhra Khora	
81	476	Trema Orientalis	K- Thoar	Restricted to certain areas like Belkund and others from Chikhaldara Dhakna and Tarubandha ranges Jarida range. Very Sparse	
82	477	Trema Politoria		On Chikhaldara plateaux	
83	480	Ficus Arnottiana	K- Gadani Tipli	Amongst rocks in valleys	
84	481	Ficus Benghalensis	Wad, K- Wora, G- Badeli		
85	482	Ficus Cunia	K- Korelawa	Koktu Valley Probably elsewhere, in stream beds	Rare
86	\$483	Ficus Hispida	Kat- Umbar; K- Korch, G- Tadwa		
87	484	Ficus Racemosa	Umbar, K- Alarva	Pastalai, Churni	
88	485	Ficus Religiosa	Pipal, Pimpal, K-pipri, G- Rai. Ali		
89	486	Ficus Virens	Pakar, Pakhari, Phepar, K- Papri, G-Pipri		
90	522	Phoenix Sylvestris	Tadi, Sindi	In Rangubeli, Chaurakund	

SHRUBS

Sr.No.	Flora Sr.No.	Name of Flora	Local Name	Location	Status
1	1	Clematis Triloba	Mongra	In Chikhaldara & Dhakna range	
2	5	Cocculus Hirsutus	Vasan Vel	Common in hedges around villages	
3	10	Capparis Zeylanica	Waghata, Pachwa	Mostly in along roadsides and near village sites	
4	26	Tamarix Ericoides	Sarata	In beds of Dolar, Khapra and other rivers	
5	27	Tamarix Troupii	Sarata	In river beds of Dolar, Tapi	
6	29	Abelmoschus Manihot	Ran Bhendi, Jangali Bhendi	Arround villages on wast lands	
7	30	Abutilon Indicum	Petari	On bunds of fields	Not common
8	31	Abutilon Pannosum	Kasli	Mostly in Fields on richer soils	
9	32	Azanza Lampas	Jangli Kapas K- Chichundur, Dongar	Abundant among tall grasses of forest	
10	34	Hibisus Ovalifolius	Bhendo, Bhawara	Fields and hill slopes	
11	37	Sida Acuta	Chikna	Amongst grasses of forest undergrowth	
12	40	Sida Glutinosa		Arround villages on waste lands	
13	41	Sida Orientalis		Amongst grasses of forest undergrowth	

14	43	<i>Urena Lobata</i>	K-Jaljatang	On mud flats along stream and river banks	
15	44	<i>Urena Sinuata</i>	K_ Jaljatang		
16	47	<i>Helicteres Isora</i>	Murad Sheng, K-Korajbhoti, G-Aite		
17	50	<i>Waltheria Americana</i>		On hill slopes	Not common
18	55	<i>Grewia Abutilifolia</i>	Dhaman, K- Sitagathalu	Chaurakund, Harisal, Dhargad	
19	56	<i>Grewia Flavescens</i>	Ghor -Dhaman		
20	57	<i>Grewia Hirsuta</i>		Along roadsides	
21	59	<i>Grewia Scabrophyllia</i>	K- Sitagathalu, G-Pandi	Dhargad, Bori and Koktu	
22	60	<i>Triumfetta Annu</i>		Among tall grasses on chikhaldar & Vairat	
23	62	<i>Triumfetta Rhomboidea</i>	Anduli	Abundant among amonggrasses and along stream, river banks,	
24	64	<i>Aspidopterys Cordata</i>		Common throughout	
25	71	<i>Murraya Koenigii</i>	God Nim,	Chikhaldar & Vairat	
26	78	<i>Celastrus Paniculatus</i>	Malkangni, Pingvel		
27	79	<i>Maytenus Emarginata</i>	Bharati, K-Mekar	On slopes of peripheral hills, field borders.	
28	89	<i>Leea Edgeworthii</i>		Stream banks in valley bottoms	
29	98	<i>Abrus Precatorius</i>	Gunj, K- Gunchi		
30	99	<i>Aeschynomene Indica</i>		In stream river beds	
31	101	<i>Aeschynomene Longifolius</i>	Shevra	Fairly common among grasses on bunds of fields & open grassy patches	

32	115	<i>Crotalaria Juncea</i>	San,Boru	Among tall grasses,in fields also cultivated on a minor scale	
33	121	<i>Crotalaria Retusa</i>	Ghogli		
34	122	<i>Crotalaria Spectabilis</i>		Stream & River banks& on wet ground	
		<i>Desmodium</i>			
35	125	<i>Gangeticum</i>			
36	126	<i>Desmodium Latifolium</i>	Lepati		
37	127	<i>Desmodium Laxiflorum</i>	Lepati		
38	135	<i>Indigofera Cassioides</i>	K-Bholori	On hill slopes	
39	140	<i>Indigofera Tinctoria</i>	Nil	Mostly around villages & roadsides	
40	141	<i>Indigofera Trita</i>		On westlands around villages, bunds of fields	Not common
41	143	<i>Moghania Braceata</i>		Chourakund,Rangubeli areas along stream banks	
42	144	<i>Moghania Lineata</i>		Chourakund,Rangubeli	
43	145	<i>Mucuna Prurita</i>	Khajkuyari	On thickets and hedges,mostly along stream banks	
44	153	<i>Sesbania Bispinosa</i>	Ransawar,K-Dadhani,G-Ikad		
45	157	<i>Tephrosia Purpurea</i>		Around villages sites on open lands.	
46	160	<i>Uraria Picta</i>		In forest undergrowth	
47	161	<i>Uraria Rufescens</i>		Koktu valley,Semadoh,Dhakna,Tarubandha and Harisal ranges	

48	170	<i>Caesalpinia Decapetala</i>	Chillari,K-Khailaia	On Plateaux and in ravines around Chikhaldara	
49	174	<i>Cassia Obtusifolia</i>	Chakwar		
50	175	<i>Cassia Occidentalis</i>	Chakwar	Mostly around villages on manurial heaps and along road sides	
51	180	<i>Acacia Pennata</i>	Chilati		
52	185	<i>Mimosa Hamata</i>	Chilati	Dry hill slopes and along borders of fields	
53	202	<i>Woodfordia Fruticosa</i>	Dhayati,K-Dhin,Khinni G-Pitte,Surpudi	In Undergrowth of forests, along stream banks, on vertically cut rocky faces of slopes frequent throughout.	
54	203	<i>Ludwigia Octovalvis</i>	Pan Lavang	In marshy habotats	Not common
55	229	<i>Hamiltonia Suaveolens</i>	K-Guwagad	On open rocky areas, in forest undergrowth	
56	231	<i>Ixora Arborea</i>	Lokhandi	Along banks of rivers in Chikhaldara,Semadoh and Akot ranges	Rare
57	239	<i>Artemesia Vulgaris</i>		Among tall grasses at higher elevations	Not common
58	271	<i>Siegesbeckia Orientalis</i>		Fairly frequent among tall grasses	
59	280	<i>Vernonia Divergens</i>		In higher elvvation in Chikhaldara, Semadoh and Raipur ranges	
60					

61	284	plumbago Zeylanica	Chitrak, K-Chitur	Especially along gullies and streams	
62	286	Embelia Ribes	Waiwarang,Bhrangeli	In Bori, Chaurakund, Dolar, Chikhaldara	
63	287	Maesa Indica		Chaurakund, Rangubeli area	Not common
64	295	Calotropis Gigantea	Rui, Madar,Ak	Mostly near habitations, On bunds fields	
65	296	Calotropis Procera	Rui, Madar,Ak	Mostly near habitations, On bunds fields	
66	297	Dregea Volubilis			
67	298	Holostemma Annulare		In Dhargad , Bori	
68	299	Leptadenia Reticulatum	Dudhkadi		
69	302	Hemidesmus Indicus	Anantmul, Khoabar Vel	Among grasses of forest undergrowth, In fields and hedges	
70	311	Rotula Aquatica		In rocky and boudry beds of major rivers like Sipna, Dolar Khapra, Khandu	
71	325	Ipomoea Fistulosa		Planted on field borde	
72	340	Datura Innoxia	Dhotra		
73	341	Datura Metel	Dhotra		
74	346	Solanum Incanum	Dorli		
75	349	Solanum Violaceum			
76	375	Martynia Annua	Waghnakhi		
77	376	Barleria Cristata	Koranti,Katakolsa		
78	377	Barleria Prattensis	Koranti	In Dhakna, Semadoh, Chikhaldara and Akot	
79	378	Barleria Prionitis	Kate-Koranti, K-Katakolsa		

80	380	<i>Carvia Callosa</i>	Bhandar	Chikhaldara, Dhakna, Tarubandha, Semadoh	
81	397	<i>Peristrophe Bicalyculata</i>			
82	401	<i>Clerodendron Serratum</i>	K-Bharangi		
83	402	<i>Clerodendron Viscosum</i>	Bhandira		
	404	<i>Lantana Camara</i>	Raimuni, Haldi-Kunku	Very Common	
84					
	405	<i>Nyctanthes Arbor-Tristis</i>	Parijatak, K- Karsali	Western bordering belt of Tiger reserve from Akot and Harisal ranges	
85					
86	409	<i>Vitex Negundo</i>	Nirgudi K-Samalu	very common	
	412	<i>Anisomeles Indica</i>		More frequent in Raipur, Jarida ranges	
87					
	413	<i>Colebrookea Oppositifolia</i>	Chota Bhandar	In Chikhaldara, Tarubandha, Semadoh, Raipur ranges	
88					
	414	<i>Hypitis Suaveolens</i>		In some areas of Dhakna range	
89					
	428	<i>Pogostemon Benghalensis</i>			
90					
91	441	<i>Pupalia Lappacea</i>			
92	450	<i>Dendrophthoe Falcata</i>	K- Banda		
	451	<i>Viscum Articulatum</i>	K- Banda	In Bori and Koktu	Not common
93					
		<i>Baliospermum Montanum</i>			
94	455				
	467	<i>Homonoua Riparia</i>	Jangli - Kaner	In Sipna river bed	Not common
95					
96	468	<i>Jatropha Curcas</i>	Chandrajot		
		<i>Phyllanthus Maderaspatensis</i>			
97	472		Ran - Aoli		

98 474 *Securinega Virosa* Pandhari, Pithondi In Harisal, Semadoh, Raipur, Bori

98

99 507 *Asparagus Racemosus* Shatavari

99

Addition to the Flora of Melghat By Prabha Y. Bhogaonkar & Vinod D. Devarkar

100	16	<i>Cassia hirsuta</i> linn.		Semadoh	
101	33	<i>Ichnocarpus ovatifolius</i>		Harisal	Rare
102	41	<i>Solanum torvum</i>		Gavilgad	
	46	<i>Rhinacanthus communis</i>		Nabab nala near ghatang	

103

HERBS

r.No.	Flora Sr.No.	Name of Flora	Local Name	Location	Status
1	6	<i>Tinospora Cordifolia</i>	Gulvel	In Hedges & thickets around villages.	
2	7	<i>Argemone Mexicana</i>	Pivala Dhotra, Bilayati, K-Killai	Common throughout in stream and river beds	
3	8	<i>Trichocarpa</i>		In Chikhaldara range, Shade of tree	
4	9	<i>Cochlearia Cochlearioides</i>		Khapra river and streams in Rangubeli area	
5	11	<i>Cleome Chelidonii</i>		Along pond margins and in open marshy grasslands.	Not common
6	12	<i>Cleome Gynandra</i>		Mostly near villages	
7	13	<i>Cleome Simplicifolia</i>		on slops of low hill zone	

8	14	Cleome Viscosa Hybanthus	Pivli Tilwan, K- Torthan	Among grasses on hill slopes, along roadsides, in fields
9	15	Ennaeaspermus		In open grassland
10	20	Polygala Arvensis	Phutani	Frequent in open grasslands and fields
11	21	polygala Elongata		Frequent among tall grasses on forest floor
12	22	Polygala Erioptera		Shade of wall
13	23	Polycarpaea Corymbosa		On rocky substrata on plateaux.
14	24	Portulaca Oleracea	Ghol	In stream and river bets.
15	25	Portulaca Quadrifida	Chival	On wet Mud flats in stream
16	28	Abelmoschus	Ran Bhendi,Jangli	On bunds of fields and hill slopes.
17	33	Ficulneus	Bhendi	Among grasses
18	36	Hibiscus Lobatus		
19	38	Malvastrum Coromadelianum Sida Alba		In stream and river bets. Open grasslands
20	39	Sida Cordata	Fuddi	On forest floor amongst tall grasses
21	48	Melochia Corchorifolia		In Semadoh ,Harisal, Kolkaz
22	51	Corchorus Aestuans		On hill slopes,in stream and river beds

23	52	Corchorus Fascicularis	Chichura	Frequent throughout in stream, river beds and wet lands
24	53	Corchorus Olitorius	Jute	On Moist lands grasses and in fields
25	54	Corchorus Trilocularis	K- Chuchu	Fairly common in stream and river beds
26	61	Triumfetta Pentandra	K-Jal Jatang	Along roadsides in fields
27	63	Linum Mysorensis		To open grasslands on jchikhaldara and vairat
28	65	Tribulus Terrestris	Gokharu	Mostly near villages
29	66	Biophytum Sensitivum	Lajalu, K-Saram Zara	Open grasslands
30	67	Oxalis Corniculata	K- Khatta Zara	Shade of walls, stream and river beds
31	68	Oxalis Latifolia	K-Khatta Zara	Chikhaldara , Kolkaz, growing in shade rest house compounds
32	69	Impatiens Balsamina	Tiwadi, Terdi	Among grasses on hill slopes, along roadsides, in fields
33	90	Leea Macrophylla	Hattikand K-Dupu	Koktu, Dolar, Boripati, Dhakna, Harisal
34	100	Alysicarpus Bupleurifolius		

35	102	Alysicarpus Procumbens		Fairly common amongst tall grasses of forest	
36	103	Alysicarpus Pubescens		On dry hill slopes	
37	104	Alysicarpus Rugosus	Shevra	Especially in cultivated fields	
38	105	Alysicarpus Scariosus		In fields open grasslands	
39	106	Alysicarpus Tetragonolobus		In fields	
40	107	Alysicarpus Vaginalis		In open grassland & Fields	
41	108	Atylosia Scarabaeoides	Jangli tur	CommonC among tall grasses of forest undergrowth	
42	112	Clitoria Biflora			
43	113	Crotalaria Calycina			
44	114	Crotalaria Filipes		Among grasses of forest undergrowth	Not Common
45	116	Crotalaria Linifolia			
46	117	Crotalaria Medicaginea		In Dhargad, Kelpani & on hill slopes	
47	118	Crotalaria Mysorensis			
48	119	Crotalaria Prostrata			
49	120	Crotalaria Pusilla			
50	128	Desmodium Rotundifolium			
51	129	Desmodium Triflorum		In open grasslands, stream beds,shade of wall	
52	130	Eleiotis Monophylla		Dhargad, Kelpani	

53	132	Galactia Tenuiflora		In Dhargad,Bori, Koktu	
54	133	Goniogyna Hirta		In Open grasslands,along road sides	
		Indigofera			
55	134	Astragalina		On hills slope in open situations	
56	136	Indigofera Cordifolia			
		Indigofera			
57	137	Glandulosa	Barbada K-Jhurju		
58	138	A.Linifolia		In open grasslands fields river beds	
59	139	Indigofera Linnaei		In fields, open grasslands	
60	148	Pseudarthria Viscida			
61	149	Psoralia Corylifolia	Bawchi	In cultivated fields and wastelands around villages sites	
62	152	Rhynchosia Minima	Turel		
63	154	Smithia Bigemina		On Chikhaldara,Vairat,Makhala plateaux.	
64	155	Smithia Conferta			
65	156	Tephrosia Pumila		Frequent on hill slopes and in open grasslands	
66	158	Tephrosia Strigosa		Open grasslands of Dhargad,Kelpani,Rangubeli localities	Not common
67	162	Vigna Radiata	Jangli Mug	among tall grasses & in hedges	
68	163	Vigna Trilobata	Mungti	Common among grasses in fields	

69	164	Zornia Gibbosa	Zipri	Among tall grasses of forest undergrowth on open grasslands and in fields	
70	171	Cassia Absus	Chaksu		
71	173	Cassia Mimosoides		On the margins of roadside ponds etc.	
72	176	Cassia Pumila			
73	177	Cassia Tora	Tarota, K-Torthan		
74	186	Potentilla Supina		In drying ponds at Higher elevations like Vairat, Chikhaldara and Makhala plateaux	Not Common
75	187	Drosera Indica		On Chikhaldara Plateaux in marshy open habitat(probably occurring elsewhere in Melghat at higher elevations)	Rare
76	197	Ammania Baccifera		In stream beds drying ponds,waterlogged parts of fields.	
77	198	Ammania Multiflora		In stream beds drying ponds,waterlogged parts of fields.	

78	200	Rotala Fimbriata		In stream and river beds from Rangubeli, Chourakund, .	Not Common
79	201	Rotala Serpyllifolia		Fairly common in river and stream beds . On rocks near water margins	
80	204	Ludwigia Perrenis		In stream and river beds from Rangubeli, and Jarida, .	Not Common
81	207	Cucumis Callosus	Jangli Kakdi	Among grasses, fields,along stream and river margines	
82	208	Cucumis Melo	Sherni	In fields stream beds,among grasses	
83	213	Begonia Crenata		Roadside and valley bottoma in Chikhaldara , Dhakna ,Koktu ranges	
84	214	Glinus Lotoides		In stream and river beds,drying ponds,shallow areas of fields	
85	215	Glinus Oppositifolius		In stream and river beds, drying ponds, moist fields.	

86	216	Mollugo Pentaphylla		Abundant on moist surface in open grassesland, fields stream and river beds,along roadsides	
87	217	Trianthema Portulacastrum	Wasu.Khaparkhuti	In stream and river beds,on manurial heaps in villages.	
88	218	Peucedanum Dhana		In open grasslands on vairat plateaux	Rare
89	219	Pimpinella Candolleana		In chikhaldara,Dhakna,Tarubandha ranges & Koktu valley among tall grasses of forest undergrowth	
90	220	Pimpinella Lateriflora		Among tall grasses on shady slopes in chikhaldara, Dhakna,Tarubandha ranges,Koktu valley	
91	221	Pimpinella Monoica		Among tall grasses on chikhaldara,vairat,Makhala plateaux at higher elevations	
92	223	Anotis Montholoni			
93	224	Borreria Articularis		In stream & river beds,fields,on open hill slopes among grasses.	

94	225	Borreria Stricta	Open grounds	
95	226	Dentella Repens	In stream & river beds, on moist rocks.	
96	233	Oldenlandia Affinis	Vertically cut rocky faces of stream and river banks and hill slopes	Not common
97	234	Oldenlandia Corymbosa	In stream and river beds, Moist open grasslands as weed in fields	
98	237	Acanthospermum Hispidum	In river beds, On open spaces around villages	
99	238	Ageratum Conyzoides	Most common and abundant especially in watter situations and shade	
100	240	Bidens Bitermata	As a weed in fields, among grasses of forest undergrowth river beds	
101	241	Blaivillea Agmella	Fairly common throughout among grasses on hill slopes	
102	242	Blumea Eriantha	In stream and river beds.	Not common

103	243	Blumea Fistulosa		Open areas along forest margins from Koktu,Belkund localities	Not common
104	244	Blumea Laciniata		Occasional throughout in river beds	
105	245	Blumea Membranacea		Fairly frequent throughout in forest undergrowth and shady moist habitats.	
106	246	Blumea Mollis		Frequent in drying ponds,shade of walls,stream and river beds.	
107	247	Blumea Oxyodonta		Frequent in low lying areas in fields,drying ponds,along road sides and moist shaded spots	
108	248	Caesulia Axillaris	K-Gadra Zara	along pond margins,stream and river banks	
109	249	Centrantherum Anthelminticum		Occasional among tall grasses of forest undergrowth , in stream beds from Akot, Chikhaldara and Dhakna ranges	

110	250	Conyza Stricta		Occasional in Chikhaldara and Semadoh ranges among grasses in comparatively open situations
111	251	Cosmos Sulphureus		Occasional in Chikhaldara on hill slope among grasses
112	252	Cyathocline Purpurea		In the entire area,very common and abundant near water margins in stream and river beds,on wet rocks of certical cut faces of hill slopes,in drying ponds etc.
113	253	Dicrocephala Integrifolia		At higher elevations such as chikhadara and Makhala plateaux in shaded,moist,open habitats
114	254	Echinops Echinatus	Utkatar	Mostly near village sites of buffer zone
115	255	Eclipta Prostrata	Maka	Throughout common in stream and river beds,on moist open lands,in shade of walls in villages.

116	256	Elephantopus Scaber	In forest undergrowth and drying ponds.	Not common
117	257	Emilia Sonchifolia	Throughout common, on mud flats along stream and river banks, moist open grasslands, in shade of walls	
118	258	Flaveria Australasica	Occasional in cultivated fields	
119	259	Galinsoga Parviflora	At higher elevations in Chikhaldara range among grasses	Not Common
120	260	Glossocardia Bosvallea	Throughout common in open grasslands, fields, on hill slopes,	
121	261	Gnaphalium Luteo- Album	Very common, often forming conspicuous patches on soft mud along stream and river margins, in drying ponds, shade of walls.	
122	262	Gnaphalium Pulvinatum	Frequent in drying ponds, especially in Chourakund, Rangubeli and Raipur localities	

123	263	Grangea Maderaspatana		Occasional in moist open grasslands	
124	264	Lagascea Mollis	Phuli	Throughout common among tall grasses of forest undergrowth, on bunds of fields, in hedges, especially around villages.	
125	265	Laggera Aurita		Mostly in and around villages on moist, shaded spots	
126	266	Launaea Procumbens	Pathri	Very common in stream and river beds, open grasslands, shade of walls, on forest floor etc.	
127	267	Parthenium Hysterophorus	Gajar Gawat	Isolated plants occur in the inhabited area of Chikhaldara, Dhakna, Harisal, Chourakund etc.	
128	268	Pulicaria Wightiana		In open grasslands on Chikhaldara, Vairat Plateaux and Dhargad & kelpani	Not Common
129	269	Senecio Grahami		Only on and around Chikhaldara	
130	270	Sclerocarpus Africanus		In Semadoh, Kolkaz, Dhakna,	

131	272	Sonchus Asper		In heavier soils of cultivated fields, forest nurseries, on mud flats in river beds.	
132	273	Sonchus Oleraceus		In forest nurseries, fields etc.	Not common
133	274	Sphaeranthus Indicus		In drying ponds, on mud flats of sea and river beds.	
134	275	Speilanthus Calva		In drying ponds, moist shaded spots from Kolkaz, Semadoh	Not common
135	276	Synedrella Nodiflora		Among tall grasses at higher elevation in jDhakna, Chikhaldara and Semadoh ranges	
136	277	Tricholepis Amplexicaulis		Among grasses on comparatively open hill slopes on Chikhaldara	Not common
137	278	Tridax Procumbens	Phooli, Kambarmodi	Among grass, stream and river beds	
138	279	Vernonia Cineria	Sahdevi	In open grasslands and river beds	
139	281	Vicoa Indica	Sonkadi		
140	282	Xanthium Strumarium	Gokharu	In shallow lands of fields and among grasses in forest	

141	283	Cephalostigma Schimperii		In Koktu vally, Rangubeli	Not common
142	285	Anagallis Pumila Chtharanthus		In open grasslands at higher elevations	Not common
143	291	Pusillus Cryptolepis			
144	301	Buchananii Mitreola	Kawa Vel		
145	303	Oldenlandioides		Belkund, Koktu valley, Dolar	
146	304	Canscora Decurrens		Along moist gullies, soft muddy banks	
147	305	Centaurium Centaurioides	Open ground amongst grasses		
148	306	Enicostema Hyssopifolium	On dry hill slopes among grasses		
149	307	Exacum pedunculatum	I	In stream and river.	
150	308	Hoppea Dichotoma		Soft margins of streams	
151	312	Coldenia Procumbens		In drying ponds and shallow depressions and on mud flats in river beds	
152	313	Heliotropium Ovalifolium		In drying ponds and shallow depressions and on mud flats in river beds	
153	314	Heliotropium supinum		In drying ponds, shallow depressions, stream and river beds	
154	315	Paracaryum Coelestinum			

155	316	Trichodesma Indicum			
156	317	Trichodesma Amplexicaule			
157	318	Trichodesma Zeylanicum		Mostly on heavy soils in cultivated fields	Not common
158	319	Argyreia Sericea			
159	321	Convolvulus Arvensis	Chand Vel		
160	322	Convolvulus Flavus		Among grasses on hill slopes on Chikhaldara and Vairat plateaux	Rare
161	323	Evolvulus Alsinoides	Shankhpushi		
162	324	Ipomoea Eriocarpa			
163	326	Ipomoea Muricata			
164	330	Ipomoea Pesti- Gridis			
165	334	Merremia Aegyptea		In Jarida	
166	335	Merremia Gangtica Rivea	Bopli, Undirkani		
167	337	Hypocrateriformis	Phandi		
168	338	Cuscuta Chinensis	Amarvel		
169	339	Cuscuta Reflexa	Amarvel		
170	342	Nicandra Physaloides		On Chikhaldara & Vairat	
171	343	Nicotiana Plumbaginifolia		Akot, Semadoh ranges In forest Nurseries	
172	344	Physalis Longifolia			
173	345	Physalis Minima			
174	347	Solanum Nigrum	Kamuni		
175	348	Solanum Surattense	Bhui- Ringani		

176	350	Bacopa Monnieri	Brahmi		
177	351	Buchnera Hispida		Among tall grasses in Chikhaldara range.	Not Common
178	352	Dopatrium Junceum			
179	353	Kickxia Ramosissima			
180	354	Limnophila Indica		In ponds, Standing water pools	
181	355	Lindenbergia Muraria			
182	356	Lindernia Ciliata			
183	357	Lindernia Crustacea			
184	358	Lindernia Parviflora			
		Mecardonia			
185	359	Procumbens		On Chikhaldara, Kolkaz, Sipna river bed	
186	360	Scoparia Dulcis		Kolkaz, Harisal, in Sipna river bed	Rare
187	361	Sopubia Delphinifolia			
188	362	Stemodia Viscosa			
		Stemodia			
189	363	Angustifolia	Talap, Taukla		
		Stemodia			
190	364	Gesneroides	Talap	Chikhaldara and Vairat	
191	365	Sutera Dissecta			
		Verbascum			
192	366	Chinense	Kutki, K-Gurshi-Zara		
		Veronica Anagallis-			
193	367	Aquatica		Vertical cut faces of rocks in Akot and Dhakna ranges.	Not common
		Didymocarpus			
194	369	Pygmaea		Dolar river banks	Rare
195	374	Sesamum Indicum	Tilk		
		Blepharis		In Rangubeli and Jarida	
196	379	Maderaspatensis	Jarida		

197	381	Dicliptera Verticillata Dipteracanthus		Bori, Dhargad	Not common
198	382	Patulus		Bori, Dhargad	
199	383	Eranthemum Roseum		In Raipur, Semadoh, Dhakna and Chikhaldara ranges	
200	384	Haplanthus Tentaculatus		Raipur Semadoh, Dhakna and Akot ranges	
201	385	Hemiadelphus Polyspermus			
202	386	Hemigraphis Latebrosa			
203	387	Hygrophila Auriculata Hygrophila			
204	388	Swrpyllum Indoneesiella			
205	389	Echioides	Pandhar Pheda		
206	390	Justicia Diffusa			
207	391	Justicia Procumbens	Sokambe Zara		
208	392	Justicia Prostrata	K-Sokamble Zara		
209	393	Justicia Simplex Justicia			
210	394	Quinqeangularis			
211	395	Lepidagathis Cristata Lepidagathis	Kumbhi		
212	396	Trinervis		In Boripati, Dhakna Dolar	
213	398	Rungia Elegans			
214	399	Rungia Pectinata			
215	400	Rungia Repens			
216	406	Phyla Nodiflora			

217	407	Stachytarpheta Jamicensis	K- Tulsī Zara	Well naturalized on Chikhaldara Plateaux and neighbouring hill slopes	
218	410	Acrocephalus Hispidus	Chipi	Koktu valley	
219	411	Anisochilus Carnosus			
220	415	Lavandula Bipinnata			
221	416	Leucas Aspera			
222	417	Leucas Biflora			Not common
223	418	Leucas Cephalotes			
224	419	Leucas Clarket		In Chikhaldara range	
225	420	Leucas Molissima			
226	421	Leucas Nutans	K- Umbi		
227	422	Leucas Zeylanica			
228	423	Nepeta Hindosthana		Chikhaldara plateaux	Not common
229	424	Ocimum Canum	Ran - Tulas		
230	425	Orthosiphon Rubicundus		In Chikhaldara, Semadoh and Akot ranges	
231	426	Plectranthus Mollis	K- Puari		Not common
232	427	Plectranthus Rugosus		Chikhaldara and Makhala Plateaux	Rare
233	429	Salvia Coccinea			
234	430	Boerhaavia Diffusa	Khaparkhuti, Punarnava Aghada, Kutra, K- Iphil Zara		
235	431	Achyranthes Aspera			
236	432	Aerva Lanata			

237	433	Allmania Nodiflora		On rocky, shady, moist hill slopes in Jarida	Rare
238					
		Amaranthus			
239	434	Polygonoides		In river beds and fields	
240	435	Amaranthus Spinosus		Kate - Math	
		Alternanthera			
241	436	Pungens			
		Alternanthera			
242	437	Sessilis			
			Karadu, Kombada, K-		
243	438	Celosia Argentea	Silgi Zara, Saigatya		
244	439	Digera Muricata	Kunjar, Tanduljira		
		Gomphrena			
245	440	Celosioides			
246	442	Trichurus Monsoniae		In Raipur and Semadoh ranges	
		Polygonum			
247	443	Barbatum			
248	444	Polygonum Glabrum	K- Dongra		
249	445	Polygonum Plebium			
250	446	Rumex Dentatus		In river beds	Rare
		Chenopodium			
251	447	Murale	Chandanbatwa		
				On Chikhaldara Plateaux and at Kolkaz on	
252	448	Peperomia Pellucida		shady, moist cleared spots	Rare
253	452	Acalypha Ciliata			
254	453	Acalypha Indica			
255	454	Acalypha Malabarica			
		Chrozophora			
256	457	Prostrata			
257	458	Chrozophora Rottleri			

258	460	Euphorbia Geniculata	Dudhi		
259	461	Euphorbia Hirta	Dudhi		
260	462	Euphorbia Neriifolia	Chowdhari Nivdung, K- Thuar	In limited area of Akot, Chikhaldara ranges	
261	463	Euphorbia Parviflora	Dudhi		
262	464	Euphorbia Prostrata			
263	465	Euphorbia Thymifolia			
264	470	Phyllanthus Debilis			
265	471	Phyllanthus Fraternus	Old walls , inriver beds and fields		
266	473	Phyllanthus Virgatus	Bhui - Aoli		
267	478	Girardinia Zeylanica	K- Agel Zara	Chikhaldara	
268	479	Pilea Microphylla		On old walls, Forest nurseries	Not common
269	487	Ceratophyllum Demersum		In Stagnant water pools in Tapti and other major rivers.	Not common
270	488	Hydrilla Verticillata			
271	489	Vallisneria Spiralis			
272	490	Aerides Maculosum	K- Banda	Restricted to Semadoh, Raipur	Not common
273	491	Habenaria Grandifloriformis		In higher elvations in Chikhaldara and Dhakna ranges	
274	492	Habenaria Plantaginea			
275	493	Habenaria Roxburghii		At high elevations in Chikhaldara and Dhakna ranges	

276	494	Vanda Tessellata	K- Banda, G- Aitkel	On Terminalia alata, Mangifera indica, Ougenia Oojeinensis and some other tree	
277	495	Costus Speciosus		In Semadoh, Harisal and Tarubandha ranges in deep valleys	
		Curcuma	Jangli Halad, K- Kukus-		
278	496	Pseudomontana	Mukus		
279	497	Ensete Superbum	Jangli Kela		
280	498	Crinum Defixum		Along the water margin of Tapi and Sipna rivers	Not common
281	499	Crinum sp ?		In Harisal, Chaurakund and Rangubeli	Not common
282	500	Curculigo Orchioides			
		Tacca			
283	501	Leontopetaloides		IN Koktu valley	Rare
284	502	Dioscorea Belophylla	Jangli Matol, G- Nand-Nand-Kand		
285	503	Dioscorea Bulbifera	Gathalu, Mataru, K-Bayal		
286	504	Dioscorea Hispida	Baichandi, K-Kulu, G-Tikur		
287	505	Dioscorea Oppositifolia	Gilandru, G- Giris-Kanda		
288	506	Dioscorea Pentaphylla	K- Babra	In moist localitiesw at higher elevations	

	508	Chlorophytum Tuberosum		Chikhaldara, Tarubandha , Dhakna, Harisal and Akot ranges	
289			Turshi		
290	510	Iphigenia Indica		On moist hill slopes and Plateaux	Not common
291	511	Scilla Hyacinthina			
		Amischophacelus			
292	512	Cucullata	Winchu		
		Commelina			
293	513	Attenuata		In Dhargad, Koktu	Not common
		Commelina			
294	514	Benghalensis	Kena, K- Kolor		
295	515	Commelina Diffusa	Kena, Kolor		
		Commelina			
296	516	Hasskarlii	Kena		
297	517	Commelina Paludosa		Along ponds stream and river margins	
298	518	Commelina Cristata	Lahan Kena		
		Commelina			
299	519	Fasciculata			
300	520	Murdannia Nudiflora			
301	521	Murdannia Spirata			
302	523	Typha Angustata	Pun Pan-Kanis	On muddy substrate along pond margins	Rare
303	524	Arisaema Murrayei	K-Khadar	In Chikhaldara Tarubandha, Dhaknas, Semadoh range, Koktu valley	
304	525	Theriopohonum Sp.?	K-Doda	In Chikhaldara, Dhakna, Tarubandha, Semadoh ranges, Koktu valley	
305	526	Eriocaulon Cinereum			

306	527	Eriocaulon Luzulaefolium Eriocaulon			
307	528	Quinquangulare			
308	529	Bulbostylis Barbata			
309	530	Cyperus Alulatus Cyperus			
310	531	Compressus			
311	532	Cyperus Difformis			
312	533	Cyperus Digitatus			
313	534	Cyperus Flavidus		In Marshy patches	Not common
314	535	Cyperus Rotundus	Nagarmotha		
315	536	Cyperus Squarrosus			
316	537	Elaeocharis Capitata Eriopohorum			
317	538	Comosum Fimbristylis			
318	539	Bisumbeliata Fimbristylis			
319	540	Complanata			
320	541	Fimbristylia Ovata			
321	542	Fimbristylia Tenera Fimbristylia			
322	543	Tetragona			
323	544	Fuirena Wallichiana			
324	545	Kyllinga Tenuifolia			
325	546	Rickliella Squarrosa			
326	547	Scirpus Lateriflorus			
327	548	Scirpus Michelianus			
328	549	Scleria Parvula			
329	551	Alloteropsis Cimicina			
330	555	Aristida Funiculata	Kusli, K-Charbi Zara		
331	557	Arthraxon Lancifolius			
332	558	Arthraxon Prionodes			

333	559	Arthraxon Quartinianus		On moist lands and along the stream and river margins maturity	
334	560	Arundinella Pumila Capillipedium		On wet rocks and soils of stream and river banks and vertical cut faces of hioll slopes.	
335	570	Filiculme Capillipedium			
336	569	Assimile Capillipedium			
337	570	Filiculme Chloris			
338	573	Dolichostachya			
339	579	Cynodon Arcuatus Eragrostiella		Bhimkund stream (Belkund)	Rare
340	602	Unioloides	K- Budi Zara		
341	617	Oropetium Villosulum Sporobolus		On Wet ,exposed rocks of Plateaux	Not common
342	642	Tenuissimus		On moist grounds in shade	Rare
343	644	Themeda Quadriavalvis	Gondel, K- Dhagdi Zara		

Addition to the Flora of Melghat By Prabha Y. Bhogaonkar & Vinod D. Devarkar

343	1	Cleome papillosa	In 1994 at Behali In 1996 at Dharkhora In 1997 at Dhamangaon Gadhi-Chikhaldara Road. In 1998 at Makhala Road	Rare
		Polygala		
344	2	persicariaefolia	Khandukheda, Masoondi	
345	3	Sida rhombifolia	Makhala	
346	4	Waltheria indica	Gullarghat MPCA Area.	
		Geranium		
347	5	mascatense	At higher elevation along moist-slopes in the interior of the forest	Rare
		Biophytum		
348	6	candolleianum	Dharkhora, Gullarghat	
		Biophytum		
349	7	reinwardtii	Common at Semadoh	
350	8	Oxalis pubescens	Chikhaldara, higher plateau	
		Alysicarpus		
351	9	ovalifolius	Kolkaz & Harisal	
352	10	Atylosia platycarpa	Narnala fort	
353	12	Eleiotis monophylla	Narnala fort, Gullarghat MPCa area	Rare
		Stylosanthes		
354	14	fruticosa	Harisal. Also found in plains	
355	15	Sesbania bispinosa	On Narnala Fort along Lake margin.	

356	20	<i>Apium graveolens</i>	In the interior forest along moist shady slopes.	Rare
357	21	<i>Blumea jacquemontii</i>	Chikhaldara, Dharni ghat	
358	22	<i>Blumea oxyodonta</i>	Chikhaldara	
359	23	<i>Blumea virens</i>	Dharghad	
360	24	<i>Centrantherum phyllolaenum</i>	Bhimkund Chikhaldara	
361	25	<i>Conyza canadensis</i>	Chikhaldara	
362	26	<i>Gnaphalium pensylvanicum</i>	Chikhaldara	
363	27	<i>Pulicaria wightiana</i>	Narnala, Gavilgad.	
364	28	<i>Senecio belgumensis</i>	In Chikhaldara & Makhala	
		<i>Senecio</i>		
365	29	<i>chrysanthemoides</i>	On vairat hills along moist slopes	Rare
366	30	<i>Senecio nudicaulis</i>	On vairat hills along moist slopes	
367	31	<i>Vicoa cernua</i>	Along the road to semadoh on moist shady slopes	
		<i>Campanula</i>		
368	32	<i>benthamii</i>	Along Kukaroo road	
369	34	<i>Ceropegia oculata</i>	Bhutkhora	
370	35	<i>Mitreola petiolata</i>	Kolkaz & Semadoh	Not common
371	36	<i>Exacum bicolor</i>	Bori nallah	
372	37	<i>Exacum lawii</i>	Masoondi	
373	38	<i>Exacum pumilum</i>	Ghatang Semadoh road on moist shady slopes	
374	39	<i>Ipomoea triloba</i>	Amravati proper	

375	40	<i>Merremia tridentata</i>	Morshi along river banks	
376	42	<i>Dopatruim lobeliodes</i>	Narnala fort - on the margins of lake	
377	43	<i>Andrographis paniculata</i>	Makhala	
378	44	<i>Lepidagathis brandraensis</i>	Narnala	
379	45	<i>Lepidagathis lutea</i>	Kelpani & along roadside form Harisal to Kolkaz	
380	47	<i>Achyranthus coynei</i>	Makhala	Rare
381	48	<i>Elatostemma surculosum</i>	Semadoh Tourist complex	
382	49	<i>Eulophia pratensis</i>	Core area between Chikhaldara - Semadoh, along moist, humus rich slopes	
383	50	<i>Habenaria digitata</i>	Makhala & core of the MTR	
384	51	<i>Habenaria hollandiana</i>	Masoondi-Semadoh interior road on the bank of small nallah	
385	52	<i>Habenaria longicorniculata</i>	core area of MTR	
386	53	<i>Habenaria marginata</i>	Bhootkhara	
387	54	<i>Nervilia aragoana</i>	Semodho in core area	
388	55	<i>Peristylus constrictus</i>	Semadho in core area	Rare

389	56	Peristylus plantagineus		Masoondi to Semadoh road in core along the slopes of nallah	
390	57	Curcuma decipiens		Masoondi to Semadoh road in interior road	
391	58	Cucuma inodora	Bedi Halad	Most common in Melghat	
392	59	Zingiber nimmonii			
393	60	Chlorophytum glaucum		Dhargad, Gullarghat	
394	61	Drimia indica		Harisal	
395	62	Murdania semiteres		Massondi - Semadoh road	
396	63	Ariopsis peltata		Makhala plateau	Rare.
397	64	Amorphophallus bulbifer		Most common at Chikhaldara	
398	65	Amorphophallus commutatus		Chikhaldara	
399	66	Sauromatum guttatum		Bali Round, Chikhaldara	
400	67	Theriopohonum minutum		Kolkaz	

GRASSES

Sr.No.	Flora Sr.No.	Name of Flora	Local Name	Location	Status
1	550	Achras racemosa			
2	552	Andropogon pumilus	Lal Gawat, Lahan Gondali		
3	553	Apluda mutica	Pochati, K- Fuli Zara		
4	554	Aristida depressa	Bhurbhuri		
5	556	Aristida redacta			
6	561	Bambusa arundinacea	Katang - Bans		

7	562	Bothriochloa Kuntzeana		On moist hill slopes along stream banks in Kolkaz
8	564	Brachiaria Deflexa		
9	565	Brachiaria Eruciformis	Sheprut	
10	566	Brachiaria Ramosa		
				In forest undergrowth and along stream and river banks
11	567	Brachiaria Reptans		
12	568	Brachiaria Setigera		
13	571	Capillipedium Huegelli		
14	572	Chionachne Koenigii	Karsali, Baba Zara	
15	574	Chloris Virgata		
16	575	Chrysopogon Fulvus	Gogad, K-Sani- Khidi	
17	576	Chrysopogon Serrulatus	K-Khedi Zara Ran Jondhala K- Boru	
18	577	Coix Aquatica		
				Sofia - Common throughout reserve and Motia - Occurring mostly in Akot, Chikhaldara and Dhakna ranges
19	578	Cymbopogon Martinii, Two varieties(a) Sofia and (b) Motia	Tikhadi, Rusa Hariyali, Durwa, K- Tati Zara	
20	580	Cynodon Dactylon		On wet lands
21	581	Dactyloctenium Aegyptium	K-Kada Zara	
22	582	Dectyloctenium Strictus		
				Fields and along road sides
23	583	Dichanthium Annulatum	Marvel	
24	584	Dichanthium Aristatum	Mothi Marvel	
25	585	Dichanthium Caricosum	Mothi Marvel	
26	586	Digitaria Abludens		
27	587	Digitaria Ciliaris		

28	588	<i>Digitaria Stricta</i>		
29	589	<i>Dinebra Retroflexa</i>	Lona, K-Kilam Musri	
30	590	<i>Echinochloa Colonom</i>		
31	591	<i>Eluesine Indica</i>		
32	592	<i>Eragrostiella Bifaria</i>		
33	593	<i>Eragrostis Ciliaris</i>		
34	594	<i>Eragrostis Gangetica</i>		
35	595	<i>Eragrostis Japonica</i>	K- Chinzari Zara	
36	596	<i>Eragrostis Namaqensis</i>		
37	597	<i>Eragrostis Pilosa</i>		
38	598	<i>Eragrostis Poeoides</i>		
39	599	<i>Eragrostis Riparia</i>		
40	600	<i>Eragrostis Tenella</i>		
41	601	<i>Eragrostis Tenuifolia</i>		In Chikhaldara, Semadoh and Tarubanda range
42	603	<i>Eulalia Trispicata</i>		In stream and river beds, among bushes etc
43	604	<i>Hackelochloa Granularis</i>		
44	605	<i>Heteropogon Contortus</i>	Kusal	
45	606	<i>Heteropogon Ritchiei</i>	K- Pochati	
46	607	<i>Ischaemum Impresssum</i>		Along margins of waterr ponds
47	608	<i>Ischaemum Pilosum</i>	Kunda	Present in cultivated fields from Dhargad, Gularghat
48	609	<i>Ischaemum Rugosum</i>	K- Tudi Zara	
49	610	<i>Iseilema Anthephoroides</i>	Musel	
50	611	<i>Iseilema Laxum</i>	Gondal, Hirwi	
51	612	<i>Leptochloa Panicea</i>	Marvel, K-Botri Zara	
		<i>Melanocenchris</i>		
52	613	<i>Jacquemontii</i>		

53	614	Ophiuros Exaltatus				
54	615	Oplismenus Burmannii	K- Kombho Zara			
55	616	oplismenus Compositus	K- Kombho Zara	At Higher elevation in Chikhaldara Tarubanda and Semadoh range	Not common	
56	618	Panicum Phoinicladus		Along water margins of streams in Rangubeli	Not common	
57	619	Panicum Psilopodium	K- Ludhi Zara	In wet habitats		
58	620	Panicum Trypheron		Frequent in river beds and open grasslands		
59	621	Paspalidium Flavium		On moist hill slopes along stream banks		
60	622	Paspalidium Geminatum		In wet habitats, also floating in ponds		
61	623	Paspalum Paspaloides	K- Koda	Along pond margins		
62	624	Pennisetum Hohenackeri	K- Mohda Zara	In stream beds and on very moist open lands	Not common	
63	625	Pennisetum Pedicellatum	K- Mohda Zara			
64	626	Pseudanthistiria Hispida	K- Gondoli	More especially in Chikhaldara, Tarubandha, Dhakna and Semadoh ranges in comparatively open situations		
65	627	Rottboellia Exaltata		Especially in shallow depressions and along banks of streams		
66	628	Saccharum Spontaneum	K- Kans	In river beds		
67	629	Schizachyrium Brevifolium		On forest floor among tall grasses. Collected only from Dhargad locality	Rare	

68	630	Sehima Nervosum	Sheda, K- Sainar	Common in Akot range (*A very good fodder grass)
69	631	Sehima Sulcatum	Pawana, K- Sainar	Common in Akot range (*A very good fodder grass)
70	632	Setaria Intermedia	K- Kulko Zara	Common on open lands in forest nurseries
71	633	Setaria Pallide-Fusca	Lungat, K-Kulko Zara	On forest floor among tall grasses.
72	634	Setaria Verticillata	Chikta, K-Ludi Zara	Occasional around villages in hedges and on rubbish
73	635	Sorghum Controversum	Jondhali, K- Baba Zara, Podar Zara	Along stream and river banks, also on hill slopes forming clumps in forest undergrowth
74	636	Sorghum Deccanense		On hill slopes among other grasses of forest undergrowth
75	637	Sorghum Verticilliflorum		Along stream and river banks
76	638	Spodiopogon Rhizophorus	K- Math Zara	Better represented at higher elevations in Chikhaldara, Tarubandha and Semadoh ranges
77	639	Sporobolus Coromandelianus		On open moist lands and in fields
78	640	Sporobolus Indicus		In moist, open situations, cultivated fields, riverbeds

79	641	Sporobolus Indicus, Fertilis		In moist, open situations, fields	Common
80	643	Themeda Triandra	Gondel	In forest undergrowth as an associate of different grasses, on bunds of fields	
81	645	Tragus Roxburghii		On open moist rocky substrata and poor soils	
82	646	Tripogon Capillatus		On moist rocky substrata, exposed on plateaux and in stream beds	Not common
83	647	Tripogon Jacquemontii		In open grasslands	
84	648	Urochloa Panicoides	K- Chatulatu	In fields. (* A good fodder grass.	

CLIMBERS

Sr.No.	Flora Sr.No.	Name of Flora	Local Name	Location	Status
1	4	Cissampelos Pariera	Pahadmul	Riverbanks & Roadsides	
2	80	Ventilago Denticulata	Kharbel, Chiwati, Raktapiti	stream and river	
3	84	Ampelocissus Latifolia	Kandvel, Popasvel, Rudrakshi	Mostly around villages on jhedges and small trees	
4	86	Cayratia Auriculata	Ambat vel, K-Kumbhela	Dhargad, Kelpani	
5	87	Cayratia Trifolia		Small trees on borders of fields	

6	88	Cissus Repanda	K-Jujil	Mostly climbing on tree trunks
7	91	Cardiospermum Helicacabum	Kapalphodi	In hedges Fields and among grasses
8	110	Butea Superba	Palas vel	In Semadoh,Dhakna & Chikhaldara Range
9	111	Canvalia Gladiata		In Chourakund,Rangubeli, Chikhaldara (Frequent along banks of Tapi river)
10	142	Milletia Auriculata	Garari,G-Palasin Sattur	
11	151	Pueraria Tuberosa	Ghorbel,K-Bharda	In Kocktu valley and chikhaldara,Dhakna, Semadoh Ranges
12	159	Teramnus Labialis	Ran Udid	Frequent along borders of fields
13	168	Bauhinia Vahlia	Mahul	
14	181	Acacia Torta	Chilati	Along stream banks and in ravines; rather occasional
15	189	Combretum Ovalifolium	Madhel, Piwar vel, K- Retel	Frequent along stream banks and in ravines
16	205	Coccinia Grandis	Jangli Tondli,Kunzru	on hedges,Small trees,mostly aroud villages.
17	206	Ctenolepis Garcini		On hedges,Small trees,mostly aroud On hedges and thickets.
18	209	Diplocyclos Palmatus	Shivilingi,Kavdoli	On bushes and hedge borders of fields

19	210	Luffa Acutangula	Jangli Dodka,Jungle Turai	In Dhargad,Kelpani and Jarida	Not Common
20	211	Momordica Dioica	Kartula	On borders of fields	
21	212	Mukia Maderaspatana	K- Kawala,Dhakuch	Among grasses on forest floor in fields	
22	300	Pergularia Daemia	Utaran Vel	On hedges and thickets Mostly around villages on thickts and small trees.	Not Common
23	320	Argyreia Nervosa	Sundersok		
24	327	Ipomoea Hederifolia			
25	328	Ipomoea Nil			
26	329	Ipomoea obscura			
27	331	Ipomoea Quamoclit	Ganesh Puspa		
28	332	Ipomoea Sepiaria			
29	333	Ipomoea Sinensis			
30	336	Merremia Turpethrum		Bori Dhargad, Belkund	Not common
31	509	Gloriosa Superba	Kal-Lawi, K- Zagdaili	In Dhargad, Bori, Koktu	
Addition to the Flora of Melghat By Prabha Y. Bhogaonkar & Vinod D. Devarkar					
32	11	Atylosia rugosa		Frequent throughout Dhargad area and Narnala	
33	13	Macrotyloma uniflorum		Narnala fort	Uncommon
34	17	Cucumis prophetarum		Semadoh, Masoondi,Gullarghat	
35	18	Cucumis setosus		Masoondi
